Pythian Sisters Dance.
The Pythian Sisters dance on Saturday evening was financially and socially a great success. Cards furnished amusement for the non-dancers who were far in the minority and excellent music furnished by the Alamogordo Orchestra made the dancing unusually enjoyable. Punch was served during the evening and after the dancing "refreshments" were served by the ladies.

There will be an entertainment at the High School auditorium Friday night, April 18, by the pupils of the higher grades. An admission of TEN CENTS will be charged.

would not be too much for you if your capacity were equal to your desire. The only fault in our meats is that they induce overeating. They are so fine a flavor, so tender and juicy that you hate to quit eating as long as there is any more meat to be had. Try some instead of a tonic. It's nicer and surer.

NEW ALAMO THEATRE

ALAMOGORDO NEWS-ADVERTISER

An Independent Weekly Newspaper Published Every Saturday by CHAS. P. DOWNS

Entered as second-class matter December 7, 1912, at the post office at Alamogordo, New Mexico, under the Act of March 3, 1879.

The News-Advertiser is the Official Organ of the County of Otero and the Town of Alamogordo, N. M.

The other afternoon an unassuming little man and a young girl tried to get into the chamber of the house of representatives at the capital but were stopped by a capitol policeman. The latter nearly fainted away when he found that his visitors were the president and his daughter Jessie. Then there was a scurrying around, and the chamber, which had been locked up, was thrown open. The president said he wanted to take a look at the new arrangement of the chamber. The old desks have

been taken out and semicircular rows of benches put in. The visitors tried the benches and declared them as comfortable as a cloud could be expected. "This is my first formal call," said Mr. Wilson to Speaker Clark, who was found just in time to receive him.

"Marse Henry" Watterson, editor of the Louisville Courier-Journal, in an article in his paper warns President Wilson to "beware of Bryan." Bryan's doctrine, he says, are "the stuff dreams are made of and can never be translated into acts of congress." In another article Colonel Watterson pays tribute to Taft and commends his steadfastness. He says "he surely did find Jordan a hard road to travel," but that, to quote the old epitaph, "he done his duty as he seen it."

The owner, keeper or harbinger of any dog shall cause his or her name with the name and description of the dog, to be registered with the Town Recorder of said Town in a book to be kept by him for that purpose. Before any dog is registered, a registration fee of one dollar for each male dog and two dollars for each female dog shall be paid, and the owner, keeper or harbinger of such dog shall keep on the neck of each dog so registered, a suitable metallic or leather collar, with a metallic tag or check to be furnished by the said town, with number and year of registry to be distinctly marked thereon.

Any person owning, keeping or harboring any dog in the town in

violation of the provisions of this section shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not less than one dollar nor more than ten dollars or imprisoned for a period of not less than one day nor more than ten days or by both such fine and imprisonment at the discretion of the court.

Section 2. The Town Recorder shall keep a suitable book for the registry of all dogs, and upon payment to him of the fee aforesaid he shall register the dog upon which said fee is paid.

Section 3. All registration of dogs, as provided for in the preceding sections shall expire on the last day of April in each year after the registration of such dog so registered.

Section 4. Any one furnishing information leading to the conviction of any person owning, keeping or harboring any dog in the town in violation of the provisions of this ordinance shall receive one-half of the fine recovered from any person

so convicted.

Section 5. The police officer or Dog Catcher, is hereby authorized to kill and destroy any dog, bitch or whelp found running at large within the limits of the Town; and any dog, bitch or whelp shall be considered running at large unless marked and licensed as provided herein. And such dog, bitch or whelp not so marked and licensed may be killed by such officer or officers upon the premises of the owner, keeper or harbinger, or elsewhere without notice; Provided, that if such dog, bitch or whelp is kept tied up, then this section shall not apply as to allow the killing of such dog, bitch or whelp upon the premises of the owner or keeper thereof.

Section 6. When it shall be made to appear that any dog so taken up, or before taken up has accidentally lost its check or tag, upon the request of its owner or keeper, and his or her payment to the said Recorder of the additional sum of twenty-five cents, it shall be the
